MONIER – WORLD'S LEADING EXPERT IN ROOFING SYSTEMS

The Monier group is the world leader in providing a variety of roofing solutions. Previously known as Lafarge Roofing, Monier has been in India since 1997. In the last fourteen years we've been closely associated with home owners, developers and architects across the country.

LEADING BY CONTINUOUS INNOVATIONS

The Monier group is a multi national European company and the world leader in roofing tiles and components. Monier is committed to continuous innovation backed by its unique R&D and product testing capabilities across continents. Each product is meticulously tested to suit local weather conditions before it is launched.

Colorroof PLUS

HIGH QUALITY CLAY ROOFTILES

Colorroof PLUS is the result of the most recent research and development at Monier worldwide. As far as aesthetics go, the design of the tile is based on the traditional Marseille profile (known as Mangalore pattern tiles in India). Monier has considerably enhanced the quality of this tile using modern technology. In fact it is produced using unique technology with H cassette and Gypsum moulds, resulting in tiles amongst the best available clay tiles in the market. They come in matt and glazed finishes in attractive colors.

4 continents. More than 40 countries.

Over 9000 skilled roof experts.

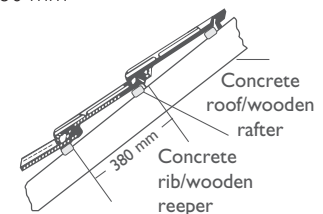

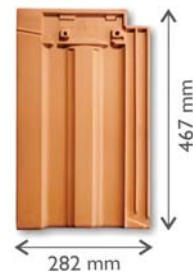

More than 130 production sites.

Millions of pleased customers.

One name. MONIER.
