MORE POWER TO YOUR ROOF

## MONIER – World's leading expert in Roofing Systems

Monier Roofing is the world leader in roofing systems with a wide range of roof tiles both in concrete & clay, Roof System Components, chimney systems, roof windows, solar systems, etc. Present in India since 1997, Monier has been closely associated with top class architects and builders and have brought world-class roofing solutions to millions of Indian customers.

Plano and Plano Legacy are the two flat concrete roof tiles launched for the Indian market by Monier. Unlike the curved roof tiles like Elabana – the concrete roof tile or Coloroof PLUS & Roman – the clay roof tiles that are used in traditional Indian architecture, a flat roof tile

is used in a contemporary style of architecture. It gives the house a very modern and futuristic look. Architects in India have started using Plano because it provides superior strength, durability and aesthetics. Plano or Plano Legacy roof tiles are the ideal choice for a customer who is looking for a very fresh look for his roof.

These tiles are designed for superior strength, durability an exquisite finish and to provide complete water-tightness. They also come with a complete set of roof fittings and components which make the roofing solutions from Monier complete and long-lasting.
